FEBRUARY HEALTH EDUCATION AND WELLNESS PROGRAM—HEART ATTACK AND STROKE—SYMPTOMS AND TREATMENT: Coronary heart disease (CHD) is the number one killer of both men and women in the US. Each year more than 500,000 Americans die of heart attacks. Prompt recognition and treatment is the key to survival. February's packet will include information on symptoms and immediate treatment of heart attack and stroke, including CPR instructions. (January's packet has information on risk factor reduction and prevention of heart disease.) Both packets are available, in February, at all medical facilities and upon request to Carol Roth, 867-3414, CHS-005, email **Roth-1, Carol**. (JJ-C)

COLORECTAL CANCER SCREENING, with Hemoccult slide kits, is available at all medical facilities during hours of operation. (JJ-C)

KSC FITNESS CENTERS LUNCH AND LEARN: High Protein Diets = High Risk? Get the Skinny on High Protein Diets—February 25 at the SSPF, Room 3039, 12:00 noon - 12:30 p.m.; and, February 29 at the OSB, Room 4308, 12:00 noon - 12:30 p.m. Come to one of these sessions and be educated about the risk factors of high protein diets. We will answer your questions about whether high protein diets lead to muscle building and healthy weight loss. Call 867-7829 to sign up. (JJ-C)

NUTRITION TIP OF THE WEEK—FROM THE KSC FITNESS CENTERS: You can gain significant benefits from dieting—besides losing those excess pounds. Many people can reduce their blood pressure and cholesterol level by simply lessening their food intake. However, if you are considering a diet program that requires a low intake of calories, you should be aware that during periods of rapid or substantial weight loss, your risk of developing gallstones increases. Gallstones are clumps of solid material, mostly cholesterol, that form in the gallbladder, a small pear-shaped organ located in the abdomen under the liver. (JJ-C)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (JJ-C)

We will have speakers, tours, food and beverages, and Lite Rock Mark Lander, cranking out the tunes from 11 a.m. to 2 p.m. Enter through CCAFS south gate only.
