ENVIRONMENTAL AND ENERGY AWARENESS (EEA) 2001 SLOGAN CONTEST: The KSC Environmental and Energy Awareness slogan committee would like your help in coming up with a slogan for the **2001 Environmental and Energy Awareness Week**. Rules for the contest are:

1. Slogan should deal with both the environment and energy.
2. Limit slogan to one sentence.
3. One slogan per person.

The contest will run from November 13, 2000 until December 8, 2000. The winner will be announced on January 12, 2001. Email your slogan to: janice.everett-1@ksc.nasa.gov. (TA-C3)

FEHB PREMIUM CONVERSION: Now that we all know what "premium conversion" is and almost **99%** of us chose to participate, I wanted to remind you that the **FEHB Open Season** (November 13 to December 11, 2000) is the only opportunity you have to make an election change (other than having a "life event.") If you chose not to participate in the Premium Conversion during the initial election period in October and want to participate with the next tax year—you **must** make this election during the **FEHB Open Season** between November 13 and December 11! Election/Waiver forms (KSC Form 13-294) are available at KSC Electronic forms. (BA-B)

FEDERAL EMPLOYEE HEALTH OPEN SEASON: The open-enrollment period this year is from November 13 to December 11. If you do nothing, your coverage will continue in your current plans. If you do switch plans, you must enroll during **Open Season**. Coverage will be effective January 14, 2001. You can not be turned down or denied benefits because of any preexisting health conditions, including pregnancy, heart condition, etc. (BA-B)

FEHB GUIDES AND RATES The health premiums will be going up—yes, again. The **2001 FEHB Guide** with rates is available on-line at www.opm.gov/insure <<http://www.opm.gov/insure>>. Click on the green "FEHB" box on the left. On the next page, click on the words "rates tables" in the little blue box on the right. Make sure you review the **NON-POSTAL RATES!** Because a very few Guides will be distributed in hard copy by OPM, we recommend you utilize the website for information. (BA-B)

FEHB CARRIER WEB SITES: Utilizing the OPM website address above, you may also enter each carrier's website. For your convenience, the most commonly used carriers addresses are listed below. At these home pages, you can discover all sorts of information concerning the carrier—who the providers are, what the costs are, and the realm of services they offer to members.

Education, knowledge and safe behaviors are the keys to prevention. Packets with the latest information on HIV/AIDS will be available at all medical facilities or upon request to Carol Roth, 867-3414, CHS-005, email **Roth-1, Carol**. (TA-C2)

NUTRITION TIP OF THE WEEK—FROM THE KSC FITNESS CENTERS: Getting ready to make all your Holiday favorites? What would you think of going light without sacrificing taste? Favorite recipes often contain lots of fat and calories. Here are some ways to make your favorites healthier. Steam vegetables, then season with herbs, lemon, a small amount of parmesan cheese or even nuts. Buy white and sweet potatoes to provide flavor variety and a low-fat option. Try an apple salad, stewed apples, or even orange segments mixed with greens to increase fiber and low-fat choices. For the turkey stuffing, moisten bread crumbs with fat free broth, bake the stuffing outside of the bird to keep calories down and keep the stuffing safe from bacteria. And for dessert—try pies without a crust—admit it, it's the pumpkin, pecan or mincemeat filling that's the tasty part anyway. Top with whipped evaporated skim milk or fat free whipped topping. (TA-C2)

LEAVE TRANSFER RECIPIENTS—IN NEED OF YOUR HELP: By now you know whether or not you will be able to utilize your annual leave available—particularly the use/lose category. We have many employees currently facing LWOP during what is supposed to be the most "friendly, giving" time of the year—won't you help! While we know you can't provide everything they need, you may be able to ensure that they are able to celebrate the holidays at least knowing that their mortgage will be paid, or maybe the electric. Perhaps, with our contributions, they'll even have a "few bucks" to get that special gift for their loved one or be able to afford that Holiday Dinner—even if they can't cook or eat it themselves! Some of them are in that situation right now! If you'd like to help and don't know who to help or how to help, please call or email their respective Admin Officers. While Human Resources is not allowed to release private information perhaps they have been granted permission by the employee to speak on their behalf. We, as Human Resources, may only provide you the guidance and assistance allowable by law to assist you in making your decision. Keep in mind, if employees have chosen to release private information to their Admin Officers, they are allowed to release such data. Members of the program are, in alphabetical order: Diane Bent; Lloyd W. Chamberlain, III; William B. Christopher (Boyd); Nicole DelVesco; Sheila Frowiss; Cheryl Greene; Tammy Hager; Joyce Hedrick, Eric Martin; Heriberto Soto Cora; and Nancy Zeitlin. Remember—most importantly—you can not donate leave for the same period of time in which you will be using leave! And, you can't donate more than you would be able to use prior to the year end. (BA-B)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (TA-C2)

KSC LIBRARY: A new document, JSC-NSTS-37350, "System Integration Plan for Flight Operations Reinvention," has arrived at KSC for distribution. If you are interested in getting on distribution for this document and future updates, please contact the KSC Library in writing at mailcode Library-D, or by email: ksc.library@jbosc.ksa.nasa.gov. Please respond within one week of this announcement with your name, mailcode and telephone number. Please allow approximately two weeks for delivery. (TA-E1)

MISUSE OF THE NASA INSIGNIA: Use of the computer templates, containing the NASA Insignia, for the production of NASA letterhead in electronic form is not authorized and should be removed from all computer systems. The Associate Administrator for Public Affairs has requested all NASA centers use only the printed NASA letterhead stationery. "The use of computer file NASA Insignias to custom design stationery provides opportunities for image manipulation and standards degradation which will adversely reflect the professional image of the Agency." If not approved for specific applications, electronic images of the NASA Insignia ("meatball") should be removed from computer systems. (TA-E1)

KSC RIDESHARING PROGRAM: The KSC Ridesharing Program assists you in joining existing car/van pools or forming new ones. Forms for the Ridesharing Program are available by calling 867-3420. The information provided on the forms will be fed into a computer which matches people by residential areas and compatibility of work hours. Each person responding will be sent a list of potential car or van poolers. The Brevard County Space Coast Area Transit provides the listings. (TA-E1)

REQUESTS FOR NONSTANDARD FILING SUPPLIES: Requests for "hanging" file folders (such as Pendaflex, or equal) will not be approved for general use at KSC. These nonstandard folders and their supporting frames are expensive and consume approximately one-third more file space than the standard filing supplies approved by General Services Administration (GSA). The purchase of nonstandard items is prohibited unless justification for exception, e.g., when standard items will not meet the storage and retrieval requirements of the user, is submitted and approved. (TA-E1)

NASA SCIENTIFIC AND TECHNICAL INFORMATION: The NASA STI Program Home Page on the World Wide Web is accessible at URL <http://www.sti.nasa.gov>. The NASA STI Program provides ready access to over three million aerospace and related citations. This service is run by the NASA Center for AeroSpace Information (CASI) for the lead NASA Center, Langley Research Center. (TA-E1)

NPG 7120.5A PR CERTIFICATION: Effective March 26, 1999, NASA policy requires all Procurement Requests (PR's) to be accompanied by a certification stating either that the purchase request action "**is**" or "**is not**" in support of the programs and projects subject to the requirements of NASA Procedures and Guidelines (NPG) 7120.5A, NASA Program and Project Management Processes and Requirement. If the action is in support of a program or project that is subject to the NPG, the certification must then indicate whether: a) all NPG 7120.5A documentation is current and approved, or b) authority to release the solicitation without the required documentation has been granted. An acceptable certification format is located immediately under the internal KSC OP Procurement Home Page header at: <http://www-op.ksc.nasa.gov/procurement/op.htm>. PR's not accompanied by the required certification will not be processed in the Procurement Office until such certification is received. (OP-AM)

NATIONSBANK GOVERNMENT CHARGE CARD USERS: All NASA employees at Kennedy Space Center who have been issued a NationsBank Government Travel Charge Card are reminded that the card and the account are to be used for official travel and travel related expenses while on TDY. Employees are expected to pay the balance in full each month. Delinquent charges or personal use of the card are cause for cancellation. If you have any questions, please call the KSC NationsBank Agency Program Coordinator at 867-3680. (TA-E1)

VOLUNTARY LEAVE TRANSFER PROGRAM: The leave transfer program is one of the most popular benefits. To qualify for this program, an employee must establish the existence of a medical emergency (for self or family members) which is expected to result in a requirement for at least 3 days of leave without pay, after the use of existing annual and/or sick leave (earned, not advanced). Leave transfer requests must include documentation from a physician on the medical condition and an estimate of the employee's projected length of absence. If an employee wishes his/her participation in the program announced in the KSC Bulletin, or within his/her organization, he/she may include such a statement in the letter of request. Affected employees would normally initiate requests for a declaration of a medical emergency through supervisory channels; however, if they are unable to do so, their supervisor, family members, or co-workers may initiate the request. Employees wishing to donate leave may do so, subject to certain restrictions. Only earned annual (or restored) leave may be donated, and total donations of leave may not exceed one half of that which would be earned in the remainder of the current leave year. Employees wishing to donate leave are strongly encouraged to donate at least 8 hours at a time, since the effort involved in processing leave transfers is significant. Leave donor forms are available in the BA-B Office and in most Administrative Offices. Donations of leave should be sent directly to BA-B, Room 2507, Headquarters Building. Requests for leave transfer are treated as confidential, unless the employee states otherwise. The names of donors are anonymous and will not be released except as needed to process the donation. If you have questions about the program, you may call Kathy McIntosh at 867-2405 or stop by the Personnel Office Operations Branch, HQ, Room 2507. (BA-B)
