HELP KSC/CCAFS SAVE ENERGY DOLLARS THIS UPCOMING HOLIDAY: It takes commitment from everyone at the Spaceport to help KSC and CCAFS save energy dollars; therefore, please remember to:

- Turn off your computer, monitor, and printer (if not required to remain on).
- Turn off the lights in your office when you are the last person to leave.
- Turn off the hall and hall closet lights on your way out, if you are the last person to leave your area in the building.
- Turn off displays and decorative lights.
- Turn off or unplug any appliances in the office, such as coffee makers, desk lamps, fans, radios, etc.
- Turn off the copier machines (including hallways) and scanners.
- Close the blinds on all windows.
- Stop water leaks and help the pumps run less.
- Set back Thermostats (with facility manager approval) in unoccupied areas.

This year, the Spaceport paid almost **\$15 million** in electricity costs alone. This is an opportunity for you to do your fair share and reduce energy, not only to save money and **your** tax dollars, but cut **our** dependence on foreign oil, a patriotic deed. An added benefit to reducing electric consumption is the direct relationship to pollution: reduce electricity and burn less oil, coal, gas and reduce spent nuclear waste. If you see energy being wasted, get involved, contact your facility manager. If you have good energy saving ideas, please contact the SGS Energy Management Office at mail code SGS-636, we have people who can help develop ideas. Who knows, maybe you could be the next Energy Eagle Award recipient! Thank You and Happy Holidays from your JBOSC Energy Management Team: Dick Buckman, John Broughton, Kevin Riley, Ruth Ann Strunk and Arlene Sexton. (TA-C3)

ENVIRONMENTAL & ENERGY AWARENESS WEEK CELEBRATION APRIL 2003: Mark your calendars for April 21-23, 2003, to attend activities for the Environmental & Energy Awareness Week in celebration of Earth Day! Anyone interested in participating in next year's event as an exhibitor and/or presenter can register online at <http://environmental.ksc.nasa.gov/eeaw/eeaw2003/register.htm>. If any problems occur with the registration on line, please contact Barbara Naylor at 867-8452 or email Barbara.Naylor-1@ksc.nasa.gov <mailto:Barbara.Naylor-1@ksc.nasa.gov>. **Registration deadline is January 31.** The EEAW Committee has begun planning meetings. If you are interested in attending these meetings, contact Barbara Naylor. (TA-C3)

MEDICAL CLINICS HOLIDAY SCHEDULE: The Launch Area Clinic (LAC located in the MFF) and the Occupational Health Facility (OHF, M6-495) will be closed for the Christmas holidays from December 24, 2002 through January 1, 2003. They will both reopen on Thursday, January 2, 2003. **The Visitor Complex Clinic will remain open as follows:**

- December 24, 31, and January 1 9:00 a.m. to 7:00 p.m.
- December 25 **Closed**
- December 26 to December 30 9:00 a.m. to 8:00 p.m.

Emergency medical services are available 24/7 by dialing 911. (TA-C2)

DECEMBER HEALTH EDUCATION & WELLNESS PROGRAM—SAFE & HEALTHY HOLIDAY COOKING: Foodborne illness is the nation's number one food safety hazard. December's packet will give information on safe cooking practices and healthful holiday meals. Packets will be available at all medical facilities, upon request to Carol Roth, 867-3414, email **Roth-1, Carol** and on the Occupational Medicine web-site: <http://sgs/sgs/sites/other/chs/occmed/index1.htm>. (TA-C2)

JANUARY HEALTH EDUCATION & WELLNESS PROGRAM—OBESITY: Obesity has reached epidemic proportions in the United States. In the last twenty years there have been dramatic increases in obesity not only in adults, but also in children and young people. Get the latest information on obesity, its consequences and what you and your family can do to lose weight and live longer, healthier lives. Packets will be available at all medical facilities, upon request to Carol Roth, 867-3414, email **Roth-1, Carol** and on the Occupational Medicine web-site: <http://sgs/sgs/sites/other/chs/occmed/index1.htm>. (TA-C2)

JANUARY'S CARDIOVASCULAR DISEASE (CVD) SCREENING SCHEDULE:

Wednesday	January 15	7 a.m. – 8 a.m.	OHF (Occupational Health Facility)
Thursday	January 16	7 a.m. – 8 a.m.	CAC (Former Cape Medical Clinic) (TA-C2)

JANUARY'S VISION SCREENING: Visual Acuity Testing:

Tuesday	January 14	11 a.m. – 1 p.m.	OHF (Occupational Health Facility)
Tuesday	January 28	11 a.m. – 1 p.m.	OHF (Occupational Health Facility) (TA-C2)

INFLUENZA VACCINATION: Influenza vaccination at KSC has been given for the past two months, but due to the excellent response to this year's health promotion activities, the KSC Flu Vaccine shots are currently unavailable. If additional supplies become available at KSC, another notice will be posted. (TA-C2)

COLORECTAL CANCER SCREENING: Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation. (TA-C2)

SCREENING MAMMOGRAMS for breast cancer are available at KSC, southwest corner of the parking lot behind the Headquarters Building. Call 1-800-367-1870 for an appointment. (TA-C2)

WORK-SITE LECTURES on any health subject, requests for health information or counseling are available upon request to Carol Roth, 867-3414, email **Roth-1, Carol**. (TA-C2)

THE KSC FITNESS CENTERS INVITES YOU TO JOIN US: The friendly atmosphere here in the fitness center is apparent when you walk in the door. Our staff wants you to feel right at home. Whether you would like to lose weight, get stronger, just get away for an hour a day or whatever your goals may be we will help you get there. The KSC Fitness Centers, located in the O&C and the OSB, both have a myriad of programs. We have on-site massage therapists three times a week; free personal training, state-of-the-art equipment (both cardio and strength training) and a complete aerobics series. With over 20 group fitness classes offered weekly at the KSC Fitness Centers, we offer classes for the beginner, intermediate and advanced exerciser. From heart pumping classes like Step Kick, Impulse and Power Walking to serene and calming classes like Yoga and Pilates, our group fitness classes provide another way to improve your quality of life. Personal training is one-on-one, personalized strength, cardiovascular, and flexibility training. Whether your goals are to lose weight, gain muscular size, strength, improve sport performance, injury prevention, or desire to have the weekly commitment, a personal trainer can help you attain your goals. Sessions are FREE and range from 30 minutes in length to one hour and can be scheduled to accommodate your busy schedule. Remember, no matter what shape you're in, we are here to help you reach your goals!

NUTRITION TIP OF THE WEEK FROM THE KSC FITNESS CENTERS: Vegetarians and health enthusiasts have known for years that foods rich in soy protein offer a good alternative to meat, poultry, and other animal-based products. As consumers have pursued healthier lifestyles in recent years, consumption of soy foods has risen steadily, bolstered by scientific studies showing health benefits from these products. Soy by itself is not a magic food; it is an example of the different kinds of foods that together in a complete diet can have a positive effect on health. Soy protein products can be good substitutes for animal products because, unlike some other beans, soy offers a "complete" protein profile. Soybeans contain all the amino acids essential to human nutrition, which must be supplied in the diet because they cannot be synthesized by the human body. Soy protein products can replace animal-based foods—which also have complete proteins but tend to contain more fat, especially saturated fat—without requiring major adjustments elsewhere in the diet. Though soy may seem like a new and different kind of food for many Americans, it actually is found in a number of products already widely consumed.

- **Tofu** is made from cooked puréed soybeans processed into a custard-like cake.
- **Soymilk** is produced by grinding dehulled soybeans and mixing them with water to form a milk-like liquid. It can be consumed as a beverage or used in recipes as a substitute for cow's milk and other dairy products.
- **Soy flour** is created by grinding roasted soybeans into a fine powder. The flour adds protein to baked goods, and, because it adds moisture, it can be used as an egg substitute in these products.
- **Textured soy protein** is made from defatted soy flour, which is compressed and dehydrated.
- **Tempeh** is made from whole, cooked soybeans formed into a chewy cake and used as a meat substitute.
- **Miso** is a fermented soybean paste used for seasoning and in soup stock.

WHAT'S NEW AT THE FITNESS CENTER: The new group exercise schedule is out, with a few changes and additions. **Beginner aerobics** has been added on Thursday evenings at 5 p.m. **Beginner Yoga** is scheduled on Wednesday evenings at 5 p.m. Now is the time to try something new, so come check out these classes! (TA-C2)

CANCER SUPPORT GROUP: SGS/CHS offers a Cancer Support Group for KSC/CCAFS personnel who wish to participate. The group convenes every Thursday at 11 a.m. for approximately 45 minutes in the Occupational Health Facility, Building M6-495 Library. The group is intended for those undergoing treatment, those in remission, survivors and caregivers. Bring your lunch and join in for this informative support group. Please email Nancy Zuhlke at nancy.zuhlke-1@kmail.ksc.nasa.gov or call her at 867-2025 for more information. (TA-C2)

MASSAGE THERAPY AT KSC: Massage Therapy is offered weekly at the O&C Fitness Center Mondays, Wednesdays and Thursdays from 12:30 p.m. - 3:00 p.m. Licensed massage therapists help reduce pain, reduce stress, increase circulation, improve the sense of well-being and many more benefits. Now a \$1.00/minute and LESS! Call to schedule an appointment for:

Thursdays:	Stacie Gioia	453-4482
Wednesdays:	Valerie Jaramillo	543-1047
Mondays:	Jeff Chiapperino	749-6075

SERVICE ELEVATOR OUTAGE: MAXIMO Outage Number 324802 has been submitted by USA Elevators. This outage will effect the OPF Annex Elevator. The elevator will be out of service from January 6, 2003 until January 31, 2003 for lifting mechanism and controls upgrade. Contact USA Elevators at 861-5959 for further information. (USK-412)

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7 a.m. to 5 p.m., and the Launch Area Clinic is open Monday-Friday 7 a.m. to 3 p.m. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-E2)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (TA-C2)

PHOTOGRAPHIC AND VIDEOGRAPHIC SUPPORT: Request for photographic and/or videographic support may be obtained by calling the Aerospace Imaging customer service desk at 867-4308 located in KSC Headquarters Building, Room 2340. Support is also available at the Cape, in Building 1605, at the pickup/drop-off service desk and can be obtained by calling 853-5765. For more information on the wide range of services available visit website: www.Aerospaceimaging.com. (PZ-J-C)

KSC LIBRARY: You may obtain copies of the following specification in HQ, Room 1124, by sending a request to mail code **Library-D**, calling 867-3613, or <mailto:KSCLibrary@jbosc.ksc.nasa.gov>.

JSC-SE-S-0073, Change 91, 12/6/02 "Space Shuttle Specification Fluid Procurement and Use Control"
This specification can also be found at: <http://sspweb.jsc.nasa.gov/webdata/pdcweb/subdocs.htm>. (TA-E1)

OFFICE COPIER VIEWGRAPH MATERIAL: Viewgraph material will not be supplied to NASA and authorized associated contractors by the copier contractor, Lanier. All viewgraph material must be obtained through JBOSC Supply. The stock numbers are 7530-00-238-9232 and 7530-00-K05-4069. All other viewgraph materials are not acceptable for use in the Lanier Copiers. (TA-B3)

USE OF MULTICOLOR OFFSET PRINTING, COLOR COPIERS, AND COLOR PRINTERS: Managers and employees are reminded that all color printing/copying must be in accordance with NPG 1490.5A. The NPG states that offset printing in two or more colors is prohibited for work in which additional colors provide no demonstrable value, but are used primarily for decorative effect. The unnecessary use of color products costs the government additional money without additional benefit. The NASA Inspector General has reviewed various agency products and determined that color products have increased significantly. Managers at all centers are to ensure requests for multicolor printing and color copying are only made when the use of multiple colors adds demonstrable value, not just cosmetic appeal, to the product. For more information, contact the KSC Printing Management Officer, Ted Courson, 867-4256. (TA-E1)

UNAUTHORIZED COMMITMENTS AND RATIFICATIONS: An unauthorized commitment is an agreement between the Government and a contractor that is not binding; solely, because the Government representative who made it lacked the authority to enter into that **UNAUTHORIZED** agreement on behalf of the Government. Ratification is the act of approving an unauthorized commitment by an official who has the authority to do so. Unauthorized commitments are strongly discouraged and can indicate serious employee misconduct. Individuals making unauthorized commitments may be subject to disciplinary action, and the issue may be referred to the Office of the Inspector General. Only Contracting Officers acting within the limits of their delegated authority are authorized to commit the Government. If you are unsure of your authority, before directing a contractor to take any action, call your project control office, or the Procurement Office at 867-7217, for assistance. (OP-AM)

OFFICIAL NASA/KSC U.S. MAIL: When sending official NASA/KSC U.S. Mail using NASA envelopes or mailing labels, the return address must contain the mailcode of the sender. Mail couriers will reject mail which does not contain a return address. (TA-E1)

PRINTING/COPYING PAPER USERS: The NASA HQ Code JT has set a goal for each center to reduce the annual use of paper stocks by 10 percent. Suggestions on how to accomplish this goal are printing on both sides of the paper; circulating, posting, and publishing memoranda and other information using email, bulletin boards, routing slips, newsletters; and distributing documents in electronic format via file servers or home pages to avoid making copies on office copiers. Your support in implementing these suggestions will help meet KSC's paper reduction goal. (TA-B3)

ORDERING BLANK FORMS/PUBLICATIONS: All requests for blank forms and publications should be submitted on KSC Form 7-11 to the Forms Warehouse (mailcode: "FORMS WAREHOUSE"). Allow approximately 5 working days to receive the requested material. Any requests for emergency or work-stoppage forms will be handled by Forms Control by calling 867-3590. Customers should not go directly to the warehouse to pick up forms without calling Forms Control first. Customers cannot call the Forms Warehouse direct because they have an unlisted telephone number. (TA-E1)

PRIVACY ACT NOTICE: When Privacy Act Information (Social Security Numbers, etc.) is created, place NASA Form 1534, "THE ATTACHED MATERIAL IS SUBJECT TO THE PRIVACY ACT OF 1974, AS AMENDED," over the information. If Privacy Act information is to be sent to another individual or office, a "TO BE OPENED BY ADDRESSEE ONLY" envelope, KSC Form, 13-242 (as revised), must be used. (TA-E1)

KSC LOCATOR: Personnel at KSC are reminded, when submitting KSC Form 13-58 (Employee Locator Information) to KSC-Locator, to verify all information including the telephone directory information block. Monthly updates to the Locator printouts should be complete. This includes the "Telephone Directory" column. The letter "T" in this column indicates that the name appears in the telephone directory. Home phone numbers will not be printed in the telephone directory unless a signed Form 13-58 is submitted. (TA-E1)

NPG 7120.5A PR CERTIFICATION: Effective March 26, 1999, NASA policy requires all Procurement Requests (PR's) to be accompanied by a certification stating either that the purchase request action "is" or "is not" in support of the programs and projects subject to the requirements of NASA Procedures and Guidelines (NPG) 7120.5A, NASA Program and Project Management Processes and Requirement. If the action is in support of a program or project that is subject to the NPG, the certification must then indicate whether: a) all NPG 7120.5A documentation is current and approved, or b) authority to release the solicitation without the required documentation has been granted. An acceptable certification format is located immediately under the internal KSC OP Procurement Home page header at: <http://www-op.ksc.nasa.gov/procurement/op.htm>. PR's not accompanied by the required certification will not be processed in the Procurement Office until such certification is received. (OP-AM)

VOLUNTARY LEAVE TRANSFER PROGRAM: The leave transfer program is one of the most popular benefits. To qualify for this program, an employee must establish the existence of a medical emergency (for self or family members) which is expected to result in a requirement for at least 3 days of leave without pay, after the use of existing annual and/or sick leave (earned, not advanced). Leave transfer requests must include documentation from a physician on the medical condition and an estimate of the employee's projected length of absence. If an employee wishes his/her participation in the program announced in the KSC Bulletin, or within his/her organization, he/she may include such a statement in the letter of request. Affected employees would normally initiate requests for a declaration of a medical emergency through supervisory channels; however, if they are unable to do so, their supervisor, family members, or co-workers may initiate the request. Employees wishing to donate leave may do so, subject to certain restrictions. Only earned annual (or restored) leave may be donated, and total donations of leave may not exceed one half of that which would be earned in the remainder of the current leave year. Employees wishing to donate leave are strongly encouraged to donate at least 8 hours at a time, since the effort involved in processing leave transfers is significant. Leave donor forms are available in the BA-B Office and in most Administrative Offices. Donations of leave should be sent directly to BA-B, Room 2507, Headquarters Building. Requests for leave transfer are treated as confidential, unless the employee states otherwise. The names of donors are anonymous and will not be released except as needed to process the donation. If you have questions about the program stop by the Personnel Office Operations Branch, HQ, Room 2507. (BA-B)

CONTINUING PERIODIC KSC BULLETIN NOTICES: Organizations and/or individuals submitting KSC Bulletin notices to be run on a continuing periodic basis are reminded it is their responsibility to delete obsolete notices and/or update notices for changes to names, organizations, dates, regulation references, etc. (TA-E1)

RETIREMENT: Individuals contemplating retirement should contact Sharon Lowry, Retirement Counselor, Personnel Office Benefits Team, 867-9178, for an appointment at least 30 days prior to their projected retirement date. (BA-B)

BANK OF AMERICA GOVERNMENT TRAVEL CARD USERS: All NASA employees at Kennedy Space Center who have been issued a Bank of America Government Travel Card are reminded that the card and the account are to be used for official travel and travel related expenses while on TDY. Employees are expected to pay the balance in full each month. Delinquent charges or personal use of the card are cause for cancellation. If you have any questions, please call the KSC Bank of America Agency Program Coordinator at 867-2860. (TA-E1)
