The schedule at the KSC clinics begins September 16, 2003 as follows: (No appointment necessary)

A customer service area has been established in Room 180M and safety shoes are NOT required in this area. You may access this room by coming up the ramp on the west end of the building and coming straight through the small personnel door (NOT the large roll-up door). This door is marked with a sign that states "Customer Service Area." You will find Room 180M just inside this door.
