

National Aeronautics and Space Administration

John F. Kennedy Space Center

No. 04-13 - April 2, 2004

Published weekly under the provisions of KMI 1590.2. Submit items to KSC Bulletin on KSC Form 7-121. All notices contained herein must comply with the nondiscriminatory principles of the Federal Equal Opportunity Program. Advertised items must be available without regard to race, color, religion, sex, age, national origin, or disability.

URL: <http://ksbulletin.ksc.nasa.gov/>

Deadline for Official/Unofficial/Personal notices - Wednesday, 9 a.m.

OFFICIAL

REPORTING EMERGENCIES: To report any emergency on KSC, whether it is fire, security, or medical related, (including possible hazardous commodity exposure); dial 9-1-1 or 867-7911 from a cell phone. For walk-in type first-aid treatment, the Occupational Health Facility is open Monday - Friday from 7 a.m. to 5 p.m., and the Launch Area Clinic is open Monday-Friday 7 a.m. to 3 p.m. Hours other than those, call 9-1-1 for emergencies and/or first aid type treatment. **After normal working hours, the non-emergency medical related assistance will be coordinated through the 9-1-1 operators.** (TA-G)

KSC EXOTICS BOAT TOUR DURING EEAW - 4/21 & 4/22: Brazilian pepper-tree (*Schinus terebinthifolius*) is one of the most aggressive of the invasive non-native plants in Florida. On KSC, the Brazilian pepper-tree is invading aquatic and terrestrial habitats, greatly reducing the quality of native biotic communities. Join a one hour Brazilian pepper boat tour during Environmental & Energy Awareness Week, 4/21 & 4/22, to the saltmarsh impoundments in the Banana River. There will be several 1-hour boat trips per day in the Banana River (11-12 and 2-3). They will start and stop from the boat dock on the Northeast side of the Banana River Bridge on the NASA Causeway. See how this impact has allowed exotic plants like Brazilian pepper to colonize and overtake the impoundment. How does this impact the environment? What are we doing now to restore these natural areas back to their original conditions? Participants will learn the identification of the plants, health concerns, and control/eradication techniques. Permission from supervisor is needed, space is limited. Contact Frank Kline at 867-8418 by April 16th to participate. (TA-C3)

SOLAR ARRAY TUBES PROTECT SPACEFLIGHT FILM: Join this tour on 4/21 at 11 A.M. - The Film Storage Building, M6-639, has a special dehumidification system to maintain the stringent requirements of preserving historical original space flight film. The solar array dehumidification system removes moisture from the storage space and then electrically-heats the air. The system uses the sun's energy instead of electricity to recharge the dehumidification system. You will visit the latest evacuated-tube solar array up close! You will get a chance to examine all the pumps, gages, and other working components of the solar system. Total tour time is 45 minutes. Vans will pick up participants from the Environmental and Energy Awareness Welcome tent in front of O&C Building at 11 a.m. on April 21st. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867-8443. (TA-C3)

WHERE DOES KSC'S WATER GO?: When you flush the toilet at KSC or CCAFS, where does the water go? It goes to the CCAFS Regional Wastewater Treatment Facility located at the north end of Scrub Jay Road. Approximately 600,000 gallons of wastewater per day, collected from KSC and CCAFS, are treated beyond regulatory requirements and then discharged to the surficial aquifer via percolation ponds. Come take a one hour guided tour (1-2 p.m.) of this exceptional facility during Environmental and Energy Awareness Week on April 21st and 22nd. Departure will be from the EEAW Welcome Table. Permission from supervisor is needed, space is limited. To participate, contact Diane Ely at 867-1083 by April 16th. (TA-C3)

PHOTOVOLTAIC SOLAR PANEL ARRAY TOUR ON APRIL 21ST AND 22ND FROM 12-1 The SGS Energy Management is offering a tour of the Photovoltaic System at Field Mill Site 18 on April 21st and 22nd, from 12-1 p.m. during the Environmental and Energy Awareness Week. Total tour time is 1 hour. The Photovoltaic Array provides 1 KW (energy used to power approximately 10 computer monitors) of clean power to one of NASA's rural weather monitoring field sites. The monitoring sites are an important part of the Spaceports Launch Pad Lightning Warning System (LPLWS). The PV array replaces a diesel generator with solar energy. It is in a remote location, so long pants and closed-toed shoes are recommended. Vans will pick up participants from the Environmental and Energy Awareness Welcome tent. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867-8443 by April 16th. (TA-C3)

MANATEE TOUR IN CELEBRATION OF EEAW - APRIL 22 (THURSDAY ONLY): The protected waters of KSC provide ideal habitat for one of Florida's most endearing creatures, the Manatee. Each spring, manatees leave their winter range in south Florida and migrate to the Banana River and Indian River Lagoon in large numbers. During the spring of 2003, around 400 manatees showed up in the waters of KSC and the Merritt Island National Wildlife Refuge and this represented about a quarter of the east coast population. This is the largest warm weather concentration of manatees we know of anywhere in their range. During the one-hour tour we will travel to Haulover Canal from the VAB Area/Parking Lot E to view these interesting aquatic mammals and learn about their life history. The tour will leave from the EEAW Welcome Table. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867-8443. (TA-C3)

MERRITT ISLAND NATIONAL WILDLIFE REFUGE VISITOR CENTER TOUR 4/21 and 4/22: The Merritt Island National Wildlife Refuge is an overlay of KSC and was established in 1963. The primary purpose of the Refuge is providing habitat for migratory birds and endangered species. The Refuge provides a place for people too. The Visitor Center is an interesting place to begin your refuge visit, as it contains exhibits, movies, trails and more. During your one-hour tour, you will visit the Center, go on a hike, and learn more about the refuge and some of its wild creatures. Departure for the tour will be from the EEAW Welcome Tent at 10 a.m. We will be in front of the O&C Building on Wednesday, April 21, and at the VAB Area/Parking Lot E on Thursday, April 22. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867-8443. (TA-C3)

POPULAR SCRUB JAY TOUR IN CELEBRATION OF EEAW - 4/21 (WEDNESDAY ONLY) - The lands of the Kennedy Space Center provide one of the last strongholds for the Florida Scrub Jay. This colorful and gregarious bird is losing ground as Florida's scrub lands are developed. During the one-hour field trip held on April 21, in celebration of Earth Day, one of our Refuge personnel, Mr. Dorn Whitmore, will show you Scrub Jays up close and discuss how KSC lands are managed for this threatened species. Wear comfortable walking shoes (no sandals please) and it is advisable to bring sunscreen, bug spray, and a hat. Meet at the EEAW Welcome Table in front of the O&C Building at 12 noon. If you attended the tour last year, please give others a chance to see the Florida Scrub Jay. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867-8443. (TA-C3)

CAN ECOSYSTEMS ON KSC EFFECT GLOBAL CLIMATE CHANGE? Rising atmospheric CO2 has the potential to stimulate carbon accumulation in ecosystems through direct effects on photosynthesis and growth of plants. There is reason to believe that this would mitigate a significant amount of the CO2 added each year to the atmosphere through the burning of fossil fuels and tropical deforestation. But would the stimulation of vegetation growth by rising atmospheric CO2 be limited by availability of water and nutrients? The answer to this fundamental question is critical for evaluating the impacts of global climate change on the natural ecosystems that provide the food, fuel and fiber for all of human activities. Since May of 1996, we have operated 16 open top chambers in a scrub-oak ecosystem on KSC. Can natural ecosystems utilize atmospheric carbon added to the atmosphere by human activities? Meet at the EEAW Welcome Table in front of the O&C Building at 11p.m. on April 21st to witness this experiment, and possibly see some Florida Scrub Jays. The tour will be given by Ross Hinkle, Dynamac Corp. Permission from supervisor is needed, space is limited. To participate, contact Shannah Trout at 867-8443. (TA-C3)

MISUSE OF THE NASA INSIGNIA: Use of the computer templates, containing the NASA Insignia, for the production of NASA letterhead in electronic form is not authorized and should be removed from all computer systems. The Associate Administrator for Public Affairs has requested all NASA centers use only the printed NASA letterhead stationery. "The use of computer file NASA Insignias to custom design stationery provides opportunities for image manipulation and standards degradation which will adversely reflect the professional image of the Agency." If not approved for specific applications, electronic images of the NASA Insignia ("meatball") should be removed from computer systems. (IT-D1)

RIDESHARING PROGRAM: If you are interested in joining an existing car/van pools or forming a new one, contact the Space Coast Commuter Assistance (SCCA) at 952-4563, ext. 301, or www.ridescat.com. Click on the "Space Coast Commuter Assistance" tab, then "carpool matching" or "vanpool matching." Fill out the "information Request Form" online, and submit it. The information provided on the form will be fed into a computer which matches people by residential areas and compatibility of work hours. SCCA will mail the submitter a list of potential car/van poolers. (TA-E1)

USE OF FEDERAL PROPERTY: There are statutory and regulatory prohibitions against the use of Federal property, facilities, and equipment for personal purposes. These prohibitions apply to such items as Government vehicles, office supplies, FTS (Federal Telecommunications Systems), Datafax, computers and network capabilities, reproduction equipment, tools, and a variety of utility and other items. This also applies to equipment provided by the Government for contractor use and to items issued to the Government. Employees have a positive duty to protect and conserve such items and other property entrusted to them. (BA-B)

LOST AND FOUND: SGS Security Services is the focal point for Lost and Found and is in possession of numerous items found on KSC. These items can be claimed upon proper identification by contacting SGS Security Investigations Office at 861-5149. Items not claimed after 90 days will be turned over to the KSC Property Disposal Officer. (TA-G)

CONFIDENTIAL FINANCIAL DISCLOSURE REPORT (OGE FORM) FILING: Those individuals reporting to a position for which there is a requirement for an initial and annual 450 filing are reminded the INITIAL filing must be completed no later than 30 days after reporting to that position. Forms are available from the Office of Chief Counsel by calling 867-2552. (CC)

MESSAGE THERAPY AT KSC: Spring discount Friday, March 26 through Tuesday, April 13, a 30-minute massage is only \$20. Messages available Tuesday-Friday, call Valerie Jaramillo, Licensed Massage Therapist #MA 19362, at 321-543-1047 to schedule your appointment. mailto: gensmsj@kscems.ksc.nasa.gov (TA-C2)

NUTRITION LECTURE SERIES: Please join the KSC Fitness Centers as we present the, "Changing Weighs" Nutrition Lecture Series! The sessions are all one hour long in the O&C Mission Briefing Room (MBR). Back-up rooms are listed below, after the title, in the event another request for the MBR takes precedence. (TA-C2)

HEALTH EDUCATION & WELLNESS PROGRAM DIET, EXERCISE AND WEIGHT LOSS APRIL 2004

Overweight and obesity is a serious problem for millions of American adults and children. It is a disease of excesses – an excess of caloric intake in relation to the calories burned. The typical American diet is partly at fault. But lack of exercise is also to blame. Controlling body weight is an important key to good health, physically, emotionally and mentally. Packets on diet, exercise and weight loss will be available at all medical facilities and upon request to Health Education Program, 867-3414. (TA-C2)

APRIL'S CARDIOVASCULAR DISEASE (CVD) SCREENING SCHEDULE: NO APPOINTMENT NECESSARY. FAST FOR 12 HOURS (WATER ONLY).

Wednesday April 14 7AM-8AM OHF (Occupational Health Facility)

Thursday April 15 7AM-8AM LAC (Launch Area Clinic-MFF)

The new CVD questionnaire can be picked up at any medical facility. There are 2 pages. The questionnaire can also be downloaded from the SGS home page/forms: <http://kscboc-forms/KSCForms2/ref/KSC28-1010.itr>. This form can be filled out on-line and then printed. A PDF version is also available by accessing the SGS homepage:

<http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/ocmed/home/files/KSC28-1010.pdf> This site will enable you to print the blank form only. If you have any questions please call 867-3414. (TA-C2)

APRIL'S VISION SCREENING: Visual Acuity Testing

Tuesday April 13 11AM-1PM OHF

Tuesday April 27 11Am-1PM OHF (TA-C2)

COLORECTAL CANCER SCREENING: Small amounts of blood in your stool, which can be detected with hemoccult slides, can be an indication of colorectal cancer. Hemoccult slides and instructions are available at all medical facilities during hours of operation. (TA-C1)

SCREENING MAMMOGRAMS: (for breast cancer) are available at KSC (southwest corner of the parking lot behind HQ Building). Call 1-800-367-1870 for an appointment. (TA-C2)

WORK-SITE LECTURES: On any health subject and requests for health information or counseling are available upon request to Health Education Program, 867-3414. (TA-C2)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (TA-C2)

FEDERAL EMPLOYEE WORK-RELATED INJURY: Federal employees are reminded that they are responsible for notifying their supervisors and seeking first-aid care from the KSC Occupational Health Facility for any injury which occurs on the job. For more information, contact Jeanine Meister at 867-8229. (TA-C2)

EAP TODAY: A 12-minute Employee Assistance Program Orientation Video can be viewed on KSC/CCAFS Channel 60 every Tuesday at 11 a.m. If you have any questions after viewing the video, or if you do not have access to the video and would like the EAP to visit your site, please call the Comprehensive Health Services, OHF, 867-7398. (TA-C2)

KSC LIBRARY—INTERNET RESOURCES: Applied Science and Technology Index and Business Periodicals Index are now available on the World Wide Web from KSC networks at <http://wilsonweb2.hvwilson.com/autologin/>. For assistance call 867-3600. (TA-E1)

KSC LIBRARY: The NASA-wide library catalog, NASA GALAXIE, is available to KSC civil service and contractor personnel via the World Wide Web at <http://nasagalaxie.larc.nasa.gov/>. (TA-E1)

KSC LIBRARY: The following new books are available for loan from the KSC Library. If you need information, please call 867-3600 or visit the Library in HQ, Room 1301, or <mailto:KSCLibrary@jbosc.ksc.nasa.gov>.

Absolute Honesty: Building a Corporate Culture that Values Straight Talk and Rewards Integrity, #575677
Asset Maintenance Management: A Guide to Developing Strategy & Improving Performance, #575594
Benefits for the Workplace of the Future, #575685
Building Secure Software: How to Avoid Security Problems the Right Way, #576510

KSC LIBRARY: The following new reference books are available for use in the HQ, Library, Room 1301, and are not available for loan:

World Almanac and Book of Facts 2004, #575461
Kosmos: A Portrait of the Russian Space Age, #575909
Bartlett's Familiar Quotations, #575644

To search the Library's on-line catalog go to: <http://nasagalaxie.larc.nasa.gov/>. For questions, call 867-3600 or

KSCLibrary@jbosc.ksc.nasa.gov (TA-E1)

KSC LIBRARY: The following documents are available for loan from the KSC Library Documents, Specifications and Standards Department, HQ Room 1124, or by calling 867-3613.

NASA-TM-212059: Guide for Hydrogen Hazards Analysis on Components and Systems
NASA-TM-212483: Tantalum Addition to Zirconium Diboride for Improved Oxidation Resistance
NASA-TM-212907: High Temperature Propulsion System Structural Seals for Future Space Launch Vehicles
NASA-TP-212051: Radiation Protection Studies of International Space Station Extravehicular Activity Space Suits
NASA-00225: Thermal Insulation System for Large Flame Buckets
NASA-00236: A Preliminary Data Model for Orbital Flight Dynamics in Shuttle Mission Control
NASA-00238: Flight Test Results from the Low Power Transceiver Communications and Navigation Demonstration on Shuttle (CANDOS)
NASA-00239: James Webb Space Telescope (JWST) Optical Telescope Element (OTE) Architecture and Technology
NASA-00240: Carbon Nanotube/Conductive Additive/Space Durable Polymer Nanocomposite Films for Electrostatic Charge Dissipation
NASA-00241: Statistical Methods for Rapid Aerothermal Analysis and Design Technology: Validation

To search the Library's on-line catalog go to: <http://nasagalaxie.larc.nasa.gov/> For questions call 867-3613 or <mailto:KSCLibrary@jbosc.ksc.nasa.gov> (TA-E1)

PHOTOGRAPHIC AND VIDEOGRAPHIC SUPPORT: Request for photographic and/or videographic support may be obtained by calling the Aerospace Imaging customer service desk at 867-4308 located in KSC Headquarters Building, Room 2340. Support is also available at the Cape, in Building 1605, at the pickup/drop-off service desk and can be obtained by calling 853-5765. For more information on the wide range of services available visit website: www.Aerospaceimaging.com. (PZ-J-C)

A HOME FIRE ESCAPE PLAN IS THE WAY TO GO.

U N O F F I C I A L

CAFETERIA MENU FOR WEEK OF April 5 THROUGH APRIL 9

***MONDAY**

Chicken & Rice Soup
**Creamy Ham & Fauxtato (Mock Potatoes) Casserole and Country Style Yellow Squash
***Open Faced Turkey, w/Dressing, Mashed Potatoes, & 16 oz. Beverage, \$4.00

***TUESDAY**

Vegetable Beef Soup
**Cilantro Chicken and Green Beans w/Red Pepper Strips
***Salisbury Steak w/ Gravy, Mashed Potatoes, Vegetable of the day & 16 oz. Beverage, \$4.00

***WEDNESDAY**

Split Pea w/Ham Soup
**El Dorado Casserole and Sauteed Zucchini
***Southern Fried Chicken, Garlic Potatoes, Vegetable of the day & 16 oz. Beverage, \$4.00

***THURSDAY**

Black Beans & Rice Soup
**Carbless Salisbury Steak and Twice Baked Fauxtatoes (Mock Potatoes)
***Chicken Pot Pie w/a Bisquit Topping, White Rice, Vegetable of the day & 16 oz. Beverage, \$4.00

***FRIDAY**

Cream of Tomato Soup
**Baked Salmon in Cream and Broccoli w/Herbed Mushrooms
***Fried Cat Fish, French Fries, Vegetable of the day & 16 oz. Beverage, \$4.00

*Assorted vegetables, salads, desserts, and beverages available daily. ***Carb Conscious Combo is available daily.* ***Blue Plate Special. Soup available daily—bowl, \$1.40/cup \$0.80. Each day a "Price Value Meal" or "Grill Price Value" is available and will be posted in each cafeteria. La Pomadora: A variety of Pizza, Stromboli, Calzone or Pasta is available daily. One Entrée, Two Sides, Dessert & 16 oz.

CENTRAL FLORIDA BLOOD DRIVE: Central Florida Blood Drive sponsored by ELVIS Team consisting of Analex, ai Solutions and SAIC will be held Tuesday April 13th from 10:00am – 2:00pm just outside the O&C building on the North side. Give the gift of life and promote this life-saving cause! Further information can be obtained by calling Aida at 867-1944.

NASA EXCHANGE: Hey! Can you believe that the first quarter of 2004 is gone and that Easter is fast approaching? You better "**hop in**" to your nearest NASA Exchange store and find the Easter card, gift or that special item. We have plush, figurines, toys and much, much more. The OSB store will close at 3:00 PM and the HQ, O&C and SSPF stores will close at 3:15 PM Tuesday (April 6th). Sorry for the inconvenience.

KSC EXCHANGE SERVICE STATION: Automatic transmission service includes filter, gasket, up to 6 qts. automatic transmission fluid and band service (if required). Most vehicles are only \$49.95. We also service standard transmission with most vehicles only \$25.95. Call us at 453-1254 for an appointment or more information

KSC EXCHANGE--HAIR SHOPS: Our shops offer a full line of services for men and women. This includes regular haircuts, perms, frosts, beard trims, razor cuts, shampoos and colors. Visit us in the HQ building, room 1251 (7-7077) and see Sharon or Janet. In the OSB building, room 1118 (1-3026) see Rocky or Fred.

KSC EXCHANGE—CITGO GAS STATION: Pay at the pump is open 24 hours, 7 days a week, for gas and diesel. CITGO and all major credit cards accepted. For information, call 453-1254.

KENNEDY SPACE CENTER FEDERAL CREDIT UNION REPOS: Repos located at the Merritt Island office. *ALL REPOS 2.99% APR.* 1996 Honda Accord LX, auto, A/C, 4-door, power, \$4,475: 1998 Ford Taurus SE, auto, power, \$3,350: 1999 Chrysler Town & Country, LTD, power, rear A/C, leather, \$9,750: 1997 Mazda B2300 pickup, 5-speed, low rider, \$3,900: 1997 Mazda MPV, V-6, power, AM/FM, \$6,650: 1998 Dodge Neon, auto, 4 cyl, AM/FM, \$2,100: call 455-9400, extension 1122. See pictures at www.kscfcu.org.

FLORIDA INSTITUTE OF TECHNOLOGY: Rated one of "America's Best National Universities" by U.S. News & World Report. FL Tech's School of Management offers the MBA, the MBA with concentration in Acquisition and Contract Management, MBA with concentration in Accounting Track, and the MS in Engineering Management. Contact Sharon Anderson sanderso@fit.edu <<mailto:sanderso@fit.edu>> for additional information. Applications are being accepted for Summer 2004 semester, which begins the week of May 10, 2004 for the School of Management located at Kennedy Space Center and Patrick Air Force Base.

The School of Extended Graduate Studies offers the MS degree in Computer Information Systems, which does not require a GRE, thesis or comprehensive exam. Also offered are MS degrees in Computer Science, Software Engineering, Space Systems and Space Systems Management. In addition, Distance Learning course Propulsion Systems (3 credits) is now available. Evening classes are held at the School of Extended Graduate Studies located at the Kennedy Space Center, Patrick Air Force Base and Palm Bay. Apply now for Summer 2004. Contact Kim Simmons ksimmons@fit.edu <<mailto:ksimmons@fit.edu>> for additional information.

BREVARD COMMUNITY COLLEGE'S INSTITUTE FOR BUSINESS TRAINING & COMMUNITY EDUCATION: Brevard Community College's Institute for Business Training & Community Education has developed a menu of non-credit accelerated computer training classes especially with your needs in mind. The classes are specifically designed to assist you in day-to-day operations of various computer software packages and to equip you with the knowledge and skills for career enrichment and/or advancement. Courses include A+ Certification, Linux Red Hat, MCSE/MCSA, CCNA/CCNP, Website Development, DreamweaverMX, MS SQL DBA, E-Commerce, Network Security, TCP/IP, UNIX/Linux, Internet Safety/Security, XML Series, and more. Visit www.bcctraining.com for all of our course listings or call us at 433-7510 if you are interested in a customized course. You'll learn in a friendly environment that will leave you wanting more computer skills!

BARRY UNIVERSITY: Barry University began registration for the Spring 2004 semester on November 17. Programs offered through the School of Adult and Continuing Education include bachelors degrees in Information Technology, Professional Administration, Public Administration, Human Resources and Psychology. Barry has 4 convenient locations in Brevard and Orlando offering an accelerated program of five terms per year with classes scheduled in the evenings and weekends to accommodate the working adult. In addition, Barry's School of Education is currently accepting applications for it's Ed.D and Ph.D cohort programs in Educational Leadership, Human Resource Development and Counseling to be offered in the Brevard County area. For more information on-line please visit the Barry website at www.barry.edu. For bachelors degrees in Brevard call 321-453-6253 or <mailto:lgrant@mail.barry.edu> and in Orlando call 407-673-8400 or <mailto:jkreps@mail.barry.edu>. For information on doctoral programs call 407-275-2000 ex 295 or <mailto:jhutchison@mail.barry.edu>.

UNIVERSITY OF FLORIDA OEM PROGRAM: The Outreach Engineering Management Program at the University of Florida is an engineering management master's degree program featuring live instruction in a convenient format designed for working professionals. The degree program is a collaboration between UF's Colleges of Engineering and Business and awards a master's degree in engineering. A new program begins every August. Classes meet only one weekend per month (Saturday and Sunday) for 20 months. For more information or to request an application packet, visit the OEM home page (<http://www.ise.ufl.edu/oemp>) or contact the OEM program office (1-800-321-0199; engrman@ise.ufl.edu).

UNIVERSITY OF MIAMI - Get the UM Advantage: Enroll in the April 2004 M.S. Management of Technology Program (MSMOT). Applications are being accepted for late April 2004. Courses are held Friday evenings and Saturdays to accommodate working professionals. Earn a Master's degree from UM that can be completed in less than two years on a part-time basis.. For more information and to receive an application/brochure, please call Mr. Augusto Roca, Program Administrator at 1-305-284-4100 or send email to augusto@miami.edu <mailto:augusto@miami.edu>. "My pursuit of the Management of Technology degree has provided IBM the resources, intellectual capital and framework that have established our company and customers to become leaders in the market. The education that the University of Miami provided has an incredible impact for IBM and myself professionally. Together, we have developed some of the leading approaches and solutions seen today on a global and international scale. The University of Miami Industrial Engineering Department provides a flexible, intellectually robust and valuable program that has allowed IBM employees to innovate and execute pragmatic technology solutions that make sense for businesses globally." (Ben Amaba, CPIM, IBM Global Solutions Executive; Software Group).

UNIVERSITY OF MIAMI: CALLING ALL ENGINEERS. The University of Miami will begin accepting applications for the Master of Science in Industrial Engineering (MSIE) starting this summer 2004. Courses are held Friday evenings and Saturdays to accommodate working professionals. For more information and to receive an application/brochure, please call Mr. Augusto Roca, Program Administrator at 1-305-284-4100 or send email to augusto@miami.edu.

WARNER SOUTHERN COLLEGE: You can finish your bachelor's degree while working full time. You can complete a bachelor's degree in Organizational Management in 12 - 20 months with 60 transferable semester hours. The program is designed for working adults that are at least 23 years of age. You can attend class one evening per week and one Saturday per month or you can take classes online. Warner Southern College is now accepting applications for the Spring 2004 and Summer 2004 terms. The application fee will be waived for all Kennedy Space Center employees. If you would like more information about Warner Southern, please call 800-309-9563 or visit us at www.warner.edu. Warner Southern College is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number 404-679-4501) to award the Associate, Bachelor, and Master Degrees.

WEBSTER UNIVERSITY: Webster University is currently accepting applications for the Master of Arts in Business and Organizational Security Management degree.
