OFFICIAL

FLAGS AT HALF STAFF: The flags of the United States flew at half staff at the Kennedy Space Center on May 20, 2004 in honor of Mr Denis Devlin, an SRB Logistics employee, with United Space Alliance. Mr Devlin died May 14, and his funeral was May 20.

PREPARING OTHERS TO CREATE THEIR VISION: "Preparing Others to Create Their Vision" This opportunity is available to ALL NASA/KSC CIVIL SERVICE EMPLOYEES AND CONTRACTORS. June 2, 2004, 9:00 to 11:00 am in the NASA Operations and Checkout Building, Mission Briefing Room. This dynamic seminar will feature a panel of experienced individuals who have served as Mentors, Colleagues, and Advisors to all levels of students and faculty. You will be introduced to the concept of mentoring, and hear about the responsibilities and rewards of "Preparing Others to Create Their Vision." This seminar is open seating - first-come, first-seated. Point of Contact: Cassandra Black, 7-3358, Cassandra.Black@nasa.gov. (XA)

YEAR-END PROCESSING OF PURCHASE REQUISITIONS (PRs) CONTAINING EXPIRING FUNDS All PRs citing appropriated funds that expire on September 30, 2004, must be processed through NASA's financial system (SAP/R3) in sufficient time to route to the Procurement Office on or before the below dates. This will increase the likelihood of obligation prior to expiration of funds on September 30, 2004. As a result, KSC's CFO and Procurement Officer have jointly established the following cut-off dates for receipt of PRs containing expiring funds: June 30, 2004 for PRs with a total estimate over \$25,000; July 31, 2004 for PRs with a total estimate equal to or less than \$25,000. Make sure the PR Header Text is annotated to reflect "Expiring Funds." If funding status is unknown, the final GG approver will review to determine if funds are expiring and will annotate the PR prior to routing to Procurement. GG will also notify OP periodically of all open, unobligated PR line items that contain expiring funds. Any PRs citing expiring funds that are generated after the applicable cut-off date must be cleared off-line with an approving Contracting Officer prior to entry in SAP. See the job aid at http://www.op.ksc.nasa.gov/ifmp/JA.htm for the appropriate approving Contracting Officer for your directorate. Enter the Contracting Officer's name in the PR Header Text and his associated purchasing group (PGrp) in the proper field when creating the PR in SAP. Requisitioners are advised that PRs with non-expiring funds received after the above cut-off dates may be held until after September 30, 2004, to permit priority treatment of those PRs containing expiring funding. Points of Contact: Finance, GG-B-C Debbie Hurlburt, 867-9438; Procurement, OP-AM Sean D. Howe, 867-7358. Your support is needed to make this fiscal year-end as smooth as possible (OP-AM)

FEDERAL EMPLOYEES HEALTH BENEFITS EXTENSION OF COVERAGE: The Federal Employees Health Benefits Amendments Act (PL 100-654) has provided separated employees, certain dependent children, and former spouses the option of keeping their Federal Employees Health Benefits (FEHB) plan for specific periods of time. Under the provisions, employees who leave the Government, either voluntarily or involuntarily, are eligible to continue FEHB coverage for 18 months if (1) the employee was enrolled in the FEHB at time of separation; and, (2) the employee was NOT fired because of "gross misconduct." This includes employees who retire and are not eligible to continue FEHB coverage as annuitants. Children who become age 22 and ex-spouses may continue coverage for up to 36 months provided they had coverage under a Federal employee at the time of the event. These individuals have continuation of coverage for 31 days at no cost to them. However, within 60 days of the event, they must submit paperwork to continue their FEHB. For more information, contact Kathleen Ellis at 867-2002 or Lisa Fowler at 867-1883. (BA-B)

INSPECTOR GENERAL: The Office of Criminal Investigations (OCI) is the investigative arm of the NASA Inspector General (IG). The OCI is an independent entity and reports directly to Robert Cobb, the NASA IG, in Washington D.C. The primary mission of this component is to conduct criminal and civil investigations of reported or suspected fraudulent acts by employees, contractors, and others relating to the administration of NASA contracts and programs. Although emphasis is placed on major procurement fraud, (particularly allegations of defective/substandard parts, mischarging, kickbacks, bid rigging, and research fraud), investigations are also conducted of theft, conflict of interest, environmental and hazardous waste violations, health care fraud, and computer related crimes. OCI also provides fraud briefings for Government and contractor employees that are designed to highlight potential risks concerning fraud and related matters. Suspected violations can be reported by calling 867-4714 locally, the toll free Hotline at 1-800-424-9183, or by writing NASA Inspector General, P. O. Box 23089, L'Enfant Plaza Station, Washington, D.C. 20024. The OIG Cyber-Hotline can be accessed at www.hq.nasa.gov/office/oig/hq. (OIG)

RIDESHARING PROGRAM: If you are interested in joining an existing car/van pools or forming a new one, contact the Space Coast Commuter Assistance (SCCA) at 952-4563, ext. 301, or www.ridescat.com. Click on the "Space Coast Commuter Assistance" tab, then "carpool matching" or "vanpool matching." Fill out the "Information Request Form" online, and submit it. The information provided on the form will be fed into a computer which matches people by residential areas and compatibility of work hours. SCCA will mail the submitter a list of potential car/van poolers. (TA-E1)

EMAIL USERS: Email is an informal communication and is not to be used as the primary way to document official Agency business. Should official business be transacted using this system, hardcopy documents of the email messages must be produced along with transmission and receipt data, directories, and distribution lists. They must be filed, maintained, and disposed of in accordance with NPR 1441.1 (as revised), NASA Records Retention Schedule. After the hardcopy has been produced, messages may be deleted from the email system. For more information, see NASA Headquarters CIO Executive Notice 12-96, 2/20/96. (TA-E1)

SECURITY NOTICE: Florida State Statue 316.1975, Unattended Motor Vehicles, states: "no person driving or in charge of any motor vehicle except a licensed delivery truck, or other delivery vehicle while making deliveries, shall permit it to stand unattended without first stopping the engine, locking the ignition, and removing the key." Do not leave the engine running in your unattended vehicle, at any time. (TA-G)

EAP TODAY: A 12-minute Employee Assistance Program Orientation Video can be viewed on KSC/CCAFS Channel 60 every Tuesday at 11 a.m. If you have any questions after viewing the video, or if you do not have access to the video and would like the EAP to visit your site, please call the Comprehensive Health Services, OHF, 867-7398. (TA-C2)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Force Station employees. UNIVERSITY OF FLORIDA OEM PROGRAM: The Outreach Engineering Management Program (OEM) at the University of Florida is an
engineering management Master's degree program featuring live instruction in a convenient format designed for working professionals.
The degree program is a collaboration of UF's Colleges of Engineering and Business, and awards a Master's degree in engineering after 20
months of study. The next program begins in August 2004 and will be held in Cape Canaveral. Classes meet only one weekend per month
(Saturday and Sunday). A newly instituted concurrent degree option makes also getting an MBA degree possible with only 12 more
months of coursework. Public information sessions will be held in West Palm Beach, Melbourne, Cape Canaveral, and Orlando on May
24, 25, 26, and 27th, respectively. All sessions will be from 5:30-8pm with a formal presentation beginning at 6:30pm. Complete details
are available on the OEM website (<<http://www.ise.ufl.edu/oemp>> <<http://www.ise.ufl.edu/oemp>>) or by contacting the OEM
program office (1-800-321-0199; **engrman@ise.ufl.edu**).
